Happy Birthday

Kaia **Greyson**

HOW TO PRINT YOUR ONLINE ORDERS

- Insert Edible Media in the printer making sure it matches the media type previously chosen
- Select 'Print' to print the edible image
- Head to decorating station with your edible image to complete order

The screenshot shows the PhotoCake website interface. At the top, there is a navigation bar with the PhotoCake logo, language options (English, Español, Français), and a welcome message for a demo user. Below the navigation bar, there is a main content area with a large photo of two children celebrating a birthday. The photo is decorated with a 'Happy Birthday' banner, two party hats, and the names 'Greyson' and 'Kaid' written on the hats. To the right of the photo, there is a sidebar with a 'What would you like to do?' dropdown menu, a 'Select the Topping' dropdown menu, and an 'Edit Print' button. Below these menus, there is a table of order details: Order #: 830684, Size: 1/4 Sheet, Requested Pickup: 04/29/24 10:15 AM, and Pickup / Delivery: IN-STORE. Below the table, there is a 'Copies' dropdown menu set to 1. At the bottom of the sidebar, there are 'Back' and 'Print' buttons. At the bottom of the main content area, there is a footer with a 'Helpful tips for PhotoCake® users' link and a 'Need help?' link with contact information for technical support.

FREQUENTLY ASKED QUESTIONS

Q: When a customer places an order how long does it take before it shows up in my order que?

A: Less than 1 minute after order was placed you will see in your order que

Tip: you may need to refresh your que

Q: How often should I check my order que?

A: A minimum of 2-3 times a day

Q: When should I accept an order

A: As soon as you see the order, no matter when it is due

Tip: Accepting the new orders when checking your order que alerts your customer their order has been accepted by your bakery

Q: What if I have questions about an order and don't want to accept it?

A: Conditionally accept the order and call the customer immediately. Handle the order as you would if you had questions on an in-store order, or order ahead today

Q: When do I conditionally accept an order?

A: When you have questions about the order, are out of stock on an item and need to offer substitute, or if a photo presents as a copywrite infringement risk

Q: When do I cancel an order?

A: Never, unless the customer calls and asks you to cancel the order, you will always want to fulfill the order

Q: What do I do if I need to print an order form?

A: You can print the order form right from your order queue using your PhotoCake printer and regular paper

Tip: This will print in under 1 minute and use less ink

Q: Who selects what cake designs and offerings are added to our site?

A: This is done by the admin owner of your site

FREQUENTLY ASKED QUESTIONS

Q: What if I have issues printing an order?

A: Call the PhotoCake tech team as you do today, and they can help troubleshoot

Q: Where can I find printer maintenance tips, and tricks?

A: [Click here for PhotoCake Printer Maintenance](#)

Q: How do I replace my in-store signs with the QR code?

A: Order sign replacements by contacting DecoPac or using DecoPac.com along with your customer number to place your order for new signs. The Magic of Cakes Stand Header Card item #28322. Counter card item #28324.

Q: What do I do if there is extra space on a larger cake size with a PhotoCake image?

A: Make sure to always use extended media as this will give you a larger print area. There is also a disclaimer on the site when customer is ordering letting them know “Actual image on cakes size may vary by store.”

Q: What are “Alert” orders and how will I know if I have them?

A: “Alert” orders are orders that have been sitting in your order que for over 24 hours and have not been accepted and will expire within 36 hours

Q: How do customers pay for their order?

A: They will pay in store when they pick up their order

FREQUENTLY ASKED QUESTIONS

In store Signage

- In store signage helps your customer order the perfect cake even when a decorator isn't available.
- About 20% of online orders come from customers in the store
- Help your customer order the perfect cake in store using the QR code

How a QR code works:

1. Open the camera app
2. Focus the camera on the QR code and hold your phone steady for a couple seconds.
3. Tap the notification that pops up to open the link to online cake ordering for your store
 1. This QR code is unique to your digital storefront
 2. The device needs to be connected to the internet

Tap this Notification:
order.cakes.com

Your unique QR code on every easel back and Magic of Cakes Book header card
