The screenshot displays the CelebrationIQ admin dashboard. At the top, there's a navigation bar with 'My Customer Number: 1', 'My User Profile', 'Language', and 'Help'. Below this is a main menu with 'Orders', 'Cakes', 'Store', 'Reports', and 'Bakery Cakes'. A dropdown menu is open under 'Bakery Cakes', listing options like 'CelebrationIQ Settings', 'CelebrationIQ Featured Cakes', 'Custom Cakes', 'Custom Cake Designs', 'Custom Cake Fillings', 'Custom Cake Flavors', 'Custom Cake Frosting Flavors', 'Custom Cake Sizes', 'Custom Cake Size Configuration', 'Cake Designs', 'Discontinuations', and 'Add-ons'. A yellow circle with the number '1' is placed over the 'Bakery Cakes' menu item. Below the dropdown, the 'Cake Designs' section is visible, showing a list of 103 cakes. Each cake entry includes a thumbnail image, a title, and an 'Include' checkbox. A yellow circle with the number '2' is placed over the 'Cake Designs' link in the dropdown. A yellow circle with the number '3' is placed over the 'Include' checkbox for the first cake in the list. A yellow circle with the number '4' is placed over the 'Filter' button at the top right of the cake list.
