Below this is a menu with 'Orders', 'Cakes', 'Store', 'Reports', and 'Bakery Cakes'. A dropdown menu is open under 'Bakery Cakes', listing options like 'CelebrationIQ Settings', 'CelebrationIQ Featured Cakes', 'Custom Cakes', 'Custom Cake Designs', 'Custom Cake Fillings', 'Custom Cake Flavors', 'Custom Cake Frosting Flavors', 'Custom Cake Sizes', 'Custom Cake Size Configuration', 'Cake Designs', 'Discontinuations', and 'Add-ons'. A yellow circle with the number '1' is placed over the 'Bakery Cakes' menu item. Below the dropdown, there's a 'Cake Designs' section with a search bar and a 'Filter' button. A yellow circle with the number '2' is placed over the 'Filter' button. The main content area shows a grid of 12 cake designs, each with a small image, a title, and an 'Include' checkbox. A yellow circle with the number '3' is placed over the 'Include' checkbox for the first cake. A yellow circle with the number '4' is placed over the 'Filter' button. The text 'Please take a look.' is visible at the top left of the screenshot.
